

## 2009 Vision Award

The Committee of 100 on the Federal City takes great pleasure in awarding

### **The L'Enfant Trust**

For facilitating the desire of more than 1,000 District property owners over the last 30 years to protect the historic integrity of their properties through its Conservation Easement program, and by providing expert advice and information about a host of historic preservation issues through written materials and speaking engagements promoting an appreciation of historic properties and the tools with which to be effective stewards of them.
